INCOME £13 EXPENDITURE - Prizes £12-20, Juice Cups Pins and Numbers £0-80

A beautiful warm February day for a run-out. Why did some people prefer to freeze at Pittodrie? They missed out with prizes going to almost half the field (6 out of 13). Shug made his trip worth-while by powering away from Wilson on the last bit of the climb of Brimmond whilst Sonia gave the boys a run for their money and took a fair chunk off Linda's ladies record.
