

## COSMIC HILLBASHERS BULLETIN NEWS-SHEET

ISSUE NO: 10  
QUARTER 1 - 1997

### HAPPY NEW YEAR COSMIC COMRADES!

Here is 'the new look for ninety seven' news sheet. As promised revision 9 of the contract list has been issued - and we needed it with a raft of recent signings. (New members have been asterisked). Remember the contact list will be issued once a year so keep it safe! If you do need a replacement speak to social Steve.

### COSMIC TRAINING

**Oilfield Production Support** is sponsoring the Tuesday night training sessions at Kings College playing fields. It is the intention to get organised with collecting 50p per session. Some have paid for all 20 sessions, some have paid occasionally and some haven't paid at all!

In the new year a register will be started (just like at school) and you will be asked to cough up each week. If you have attended but have not paid in the past, please stump up when you next see Brian Lawrie or Phil Kammer. (All collections to club funds).

The college facilities will not be available on the following dates through the Christmas period.
