Here is a quick summary of the Cosmic Hillbashers Memberships stats for 2025. Overall membership has been steady compared to 2024. There has been some turnover however with 16 new members in 2025. The collaborative weekend runs had a positive impact on membership with a number of new non first claim members joining.

If anyone has any additional statistics they would like to see at the AGM please let me know and I will do my best to have them ready.

Thanks,
Rob Jobling
