2025 Cosmic overview of Calendar and Sunday run report.
Tuesday training runs over winter are organised by Ewen Rennie, Summer timetable is shared between training runs (Ewen) and hill runs (Gillian). Huge thanks to Ewen for so generously giving up his time every Tuesday for training.
Sunday club runs are organised by Gillian Clunas, Bake Off, Easter stuff, Marcothon and Christmas meal. Thursday training runs Jan to May 2025 were organised by Elaine Murdoch, including, head torch winter runs, a handicap run and a Xmas pie competition.

Cosmic Summer Series, Thursday night races Pressendye, Balmedie, Mither Tap, (Deeside might reinstate Scolty in 2026)

Spond is a great way of communicating and works well, although we still have runners turning up on the day. Runs are busier during winter and Spring but not busy during the Summer into Autumn.
Our combined club runs with Kintore and Insch have been successful over winter and Spring but there isn't much uptake during the summer. In 2026 Insch will continue our monthly combined club runs, sharing new routes.
The JSK runners, keen on off road running have already joined Cosmics as a second Club. The combined club runs with JSK won't continue in 2026 unless we hear otherwise.
The Bake Off in February is well attended and very sociable and with a trophy to win. Everyone good naturedly participated in egg n'spoon, decorating and rolling for our Easter schnanigans.
Anna organised the Fundraiser for Aberdeen Mountain Rescue Team in May/June. Anna also suggested and organised the Tall Ships Crew Social Run. Both events were hugely successful. The summer picnic at Tap O Noth is now an annual event. The Cosmic Marcothon during December is a success (4th year running)
The formula of doing an activity at your chosen time of day seems to suit members. The WhatsApp group for both the AMRT and Marcothon are supportive and motivating. It was good to see so many club members encouraging each other in both challenges. This style of event is a success bringing our community together.

We need your help, can you fill one of these roles?
1. Krunce we need a volunteer to work as a group organising the Krunce series.
2. We need a volunteer for the torch runs over the winter months, one a month
3. We need a volunteer to take over hosting the mince pie competition for 2025

Some suggestions for 2026.
Devils Burden relay in Feb,? Pentland skyline in March, An event with Grampian Orienteers, The Dee, Don, Spey Relay Banchory to Aviemore (Louise Proven's idea?) Invite another running club for a guest run a one off, maybe Stonehaven.
